REPRESENTED IN NEGATIVE FILE	H.A.B.S. SURVEY NO. PR-51	History The 2nd Line of Defense	
PUBLISHED PHOTOGRAPHS		built by the Corps of Engineers	
PUBLISHED DRAWINGS		of the Spanish Army between 1850 and 1861	
		consisted of a moat and a wall which ran	
		across the island of San Juan just west	
		of what is now Munoz Rivera Park. A bastion	
		in the shape of a ravelin was located just	
		south of the center part of the island.	
		The area within the ravelin is approximately	
		15 ft. above the lowest point of the	
		moat. The walls are a faced coursed ✓
